in fact, the atmosphere turned so toxic that franchise quarterback carson palmer vowed to retire rather than wear orange and black again.

it’s actually less burdensome than using a defibrillator or applying a trauma kit.

use cautiously in glaucoma because lemon balm may increase eye pressure.

who knows, maybe they’ll meet some sodomizing necrophile on the street,” paul said, trying to comfort dawn.

as a mother of two sons with type 1 diabetes, i’ve resisted the urge to nag.
