I should also point out that anyone going to prison in the Ukraine should be presumed innocent.

So for anyone out there considering doing this, go for it...

These courses integrate flying and ground theory training in international training school

17 Deadline to increase the nation's borrowing power or risk default.

Just one little problem: the actual study data showed that people in the overweight category (BMI of 25 to 30) had the longest lifespans.

Are ongoing, though MLB officials have told Rodriguez's attorneys that they are willing to kick a-rod
